

PROPERTY PERSPECTIVE

FEBRUARY 2022

Although almost two months into the new year, I would like to take the opportunity to wish our members and stakeholders a blessed, safe and happy 2022.

I would also like to take the opportunity to introduce myself as the incoming National Chair for the Women's Property Network, and together with my Executive look forward to serving you, our members and delivering on our strategic objectives.

Following a recent strategic planning meeting with the team, we are enthused and optimistic for the year ahead, and do hope that we will have the opportunity of in-person networking sessions, but more importantly undertake to deliver value in terms of our various initiatives across the diversity of the WPN membership base.
