INVITATION TO ATTEND IMBIZO IN COMMEMORATION OF INTERNATIONAL WOMEN'S DAY

The Deputy Minister for Public Works and Infrastructure, Ms Bernice Swarts, MP will be hosting an Imbizo on ***Innovation and opportunities for women in the built environment*** in commemoration of International Women's day. The aim of the Imbizo is to provide a platform for women to share best practices, challenges and opportunities within the industry and further afford them an opportunity to interact and network with industry professionals. This will assist the department to further its commitment and aspirations to empower women, including young women and women with disabilities, with economic opportunities within the built environment.

It would be appreciated if you could attend the event and participate as a panelist discussing '***The status quo in the built environment***'. It will also be appreciated if you could mobilize ten (10) women in property who are based in all the provinces to attend the Imbizo. Additionally, we would like to invite your council to set-up an exhibition stand to profile the work that you do.

The details of the Imbizo are as follows:

Date: Wednesday, 26 April 2023

Time: 09h00-15h00
