

In partnership with

YOU'RE INVITED

GENDER INTELLIGENCE CONFERENCE

Gender diversity is adding more of the opposite gender. Gender intelligence is knowing how to work better with people of the opposite gender. As we come to understand each other's ways of thinking and acting, we step up to a new and powerful level of conversation that allows us to sustain a culture of inclusiveness and grow our global competitiveness.

CONFERENCE :

29 March 2022

09h00-17h00 CAT on MS Teams and YouTube
