EVENT ATTENDANCE

WPN events are highly sought-after and for the most part are offered free of charge to WPN members. As reservations at events are often at a premium, making a reservation and failing to attend penalises other participants from attending and results in costs being incurred by the WPN and sponsors.

Non-attendance may be unavoidable due to unforeseen circumstances, but where a cancellation can be made, notification of at least 24 hours would be deemed to be polite. Repeated no shows or late cancellations may result in a charge being levied or a "cooling off" of attendance at future events.
